BUFF PUFF

Thread the needle with 18 inches of (A). Using large stitches (1 inch [2.5cm] or more) sew up the middle of the nylon net, gathering it onto the yarn. When you reach the end, sew back to the beginning. Pull the yarn tight and the nylon net will gather up into a ball. Tie it off well (use more knots than you think you need). Finish by tying the two ends of the yarn together and threading a few small beads in a coordinating color. Tie off securely.
