GAUGE:

24 stitches x 24 rows = 4 inches (10 cm) When you match the [gauge](#) in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. The needle or hook size called for in the pattern is based on what the designer used, but it is not unusual for gauge to vary from person to person. If it takes you fewer stitches and rows to make your swatch, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

[Making a Gauge Swatch](#)

BUNNY

[Cast on](#) 20 stitches.

Work 20 rows in Garter stitch ([all knit](#)). The piece will be square, about 3.5 inches [approximately 9 cm] Bind off all stitches. Leave a trailing end of about 4 inches of yarn when cutting the extra yarn.

Fold square in half and stitch as shown

Turn the fabric and open it -- it will be a cone. Put the stuffing into it. Position stuffing with your finger to make the Bunny the shape you'd like (you can always adjust this later, as well)

Hold like a cone, fill with stuffing

Fold down top flap and sew the open edges shut.

Stitch from here to here

Fold down the flap at the top of the cone. Sew the open edges closed.

create eyes by using crochet hook to pull black and white yarns through and tying both ends in a knot

To put eyes on the bunny, pull the crochet hook all the way through the 'head' and use it to pull the black and white yarn through together. Tie it off securely on one end (use several knots). Pull it tight and tie off on the other end (use several knots). Trim closely.

Cut 2 inner ears and 2 outer ears from felt, per pattern:

Ears -- Cut two of each; pink is inner ear

Using needle and thread, position one inner ear and one outer ear together. Fold in half and sew one set on each side of the bunny's head.

Attach ears with thread and a few stitches

cut approximately 6 inches [15 cm] of ribbon and tie around bunny's neck as shown.

If this Bunny will be used as a bookmark, sew remainder of ribbon to its underside and sew the pom-pom on the end as shown

Adjust position of stuffing so Bunny is the shape you want.
