- Additional Materials

1. 1-inch wide ruler or piece of cardboard 1 inch [2.5 cm] x 12 inches
2. Cardboard approximately 3 inches [7.5 cm] square (for making tassel)

#### GAUGE:

##### Muff:

Tiffany Lining: 12 sts + 18 rows = 4 in [10 cm] with 3 strands held tog in stockinette stitch on U.S. #10 needles

Lion Wool Exterior: 10 sts + 12 rows = 4 in [10 cm] with 2 strands held tog in stockinette stitch on U.S. #10 needles before felting.

##### Hat:

16 stitches by 24 rows = 4 in (10 cm) with US #8 (5mm) needles BE SURE TO CHECK YOUR GAUGE.

#### MUFF

##### Outside

With two strands of A and the larger needles, cast on 12 stitches

**Row 1** Knit

**Row 2** Purl

Repeat until piece is 10 inches [approx 25 cm] long. Bind off all stitches, leaving tail of 2 ft.

##### Lining

With two strands of B (use a strand from the outside and one from the inside of the ball) and one strand of C, cast on 22 stitches.

**Row 1** Knit

**Row 2** Purl

Repeat until piece is 10 inches [approx 25 cm] long. Bind off all stitches, leaving tail of 2 ft.

#### FINISHING

Using the large-eyed blunt needle and (C)

1. Sew the top and bottom of the outside together to form a cylinder.
2. Sew the top and bottom of the lining together to form a cylinder.

3. Position the lining over the outside so the right sides are together, align an edge and sew the one edge together.
4. Turn the lining to the inside (the right side will now be where the hands of the wearer will be) and sew the remaining edge.

### FELTING

Felting is a process whereby the wool is deliberately handled so that it is matted into a fabric. Wool fibers have scales and are also crimped. When these fibers are wetted and softened and then rubbed together they grab each other and are permanently bound together. This happens when you put a wool item in a washer and agitate it -- it comes out much smaller and also denser, because the fibers have bound together.

**Finished muff size depends on how much the piece is felted.** Keep in mind that you can always felt more, but once felting is done, it is not reversible.

Make SURE the muff is turned with the wool side out. Wash by machine on a hot wash/cold rinse cycle with detergent and several pieces of clothing to agitate. Pat it flat to shape and let it air dry -- Tiffany should not be put in the dryer!

When the piece is dry, use a soft hairbrush to fluff the fur on the ends.

### HAT

The hat has an edging of Tiffany that is knit as you go.

With smaller needles and (A) cast on 20 stitches.

**Row 1** and all odd-numbered rows: Knit 16, add one strand of B and one of C, knit to end of row with all three strands.

**Row 2** With one strand each A, B and C, knit 4. Drop the strands of B and C, knit to end of row with A.

**Rows 3-6** Repeat Rows 1 and 2

**Row 7** Knit 16, add one strand of B and one of C, knit to end of row with all three strands.

**Row 8** With one strand each A, B and C, knit 4. Drop the strands of B and C, purl to end of row.

**Rows 9-29** Repeat rows 7 and 8

**Row 30** With one strand each A, B and C, knit 4. Drop the strands of B and C, purl until there are four stitches remaining, knit to end of row.

**Rows 31-62** Repeat Rows 29 and 30

**Rows 61-80** Repeat Rows 7 and 8

**Rows 81-89** Repeat Rows 1 and 2. Bind off, leaving a tail of about 12 inches.

### Finishing

Fold the strip in half and, using the tail, sew up the back (this is the side that does not have the fur on it.)

### Pom-Pom Ties (make two)

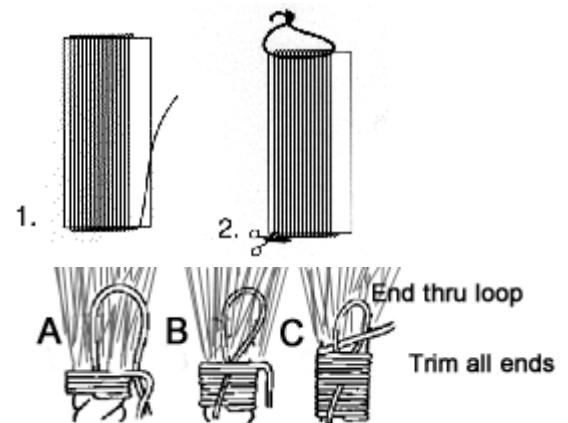

Wrap one strand of (A) around the ruler 50 times. Cut 2 pieces of yarn 24 inches [60 cm] long. Using both strands, tie the middle of the yarn as tightly as you can. Slide the bundle of yarn off the ruler and cut in the middle to release the yarn and form the pom-pom. Cut one of the strands of yarn so that there are three long ones remaining. Braid these three together to make the tie cord for the hat. When the braided part is 8 inches [20 cm] long, tie in a knot. Thread the yarn through the needle and attach at the front bottom of the hat to make a tie. Repeat on the other side

### Tassel

Wrap one strand of A around the cardboard 10 times. Cut 2 pieces of yarn 12 inches long. Using both strands, tie the middle of the yarn as tightly as you can. Cut other end open to remove cardboard. As with the pom-pom ties, cut one of the long strands so that is the length of the rest of the tassel and treat it as a strand of the tassel.

With A, wrap around the top of the tassel and bind as shown.

Braid the three long strands for the attachment cord. When it is about an inch [2.5 cm] long, tie in a knot. Thread the yarn through

the needle and attach to the peak at the top of the hat.
