**NOTES:**

For ease in working, cut yarn into lengths of several yards (meters) before beginning to wrap bracelets.

**SOLID BRACELET**

Apply a small amount of glue to one section of inside of bracelet and begin wrapping with A. Continue to apply glue and wrap with yarn until entire bracelet is covered. Cut yarn and apply additional glue to secure yarn tail to inside of bracelet. Allow to dry.

**STRIPED BRACELET**

Hold one strand each of B and C together, then apply glue and wrap bracelet same as for Solid Bracelet.

**CRISS-CROSS BRACELET**

Using D, apply glue and wrap bracelet same as for Solid Bracelet. Cut a 26 in. (66 cm) strand each of B and C. Glue one end of B strand to inside of bracelet, then wrap strand diagonally around bracelet, leaving about 1 in. (2.5 cm) between wraps. Cut excess B and apply glue to secure yarn tail to inside of bracelet. Glue one end of C strand to inside of bracelet, then repeat diagonal wrapping, working in the opposite direction and crossing over B wraps to form 'X's'. Cut excess C and apply glue to secure yarn tail to inside of bracelet. Allow to dry.
