GAUGE:

16 sts = about 4 in. (10 cm) in St st (k on RS, p on WS) before felting.

EXACT GAUGE IS NOT ESSENTIAL FOR THIS PROJECT.

The above gauge is provided as a reference - the felting process will affect the finished size.

BE SURE TO CHECK YOUR GAUGE. When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. If it takes you fewer stitches and rows to make a 4 in. [10 cm] square, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

NOTES:

1. Due to the nature of the felting process, the size of your finished pieces can vary. We strongly

suggest that you wait until after you've felted and assembled your Pillow to purchase a pillow form. Choose a form in a size that will fit into your felted piece. If you prefer, you can make a custom size pillow form. Follow the instructions below to sew the pillow form cover in size desired. Stuff the cover with fiberfill, then sew closed.

2. Pattern is designed to encourage creativity. Use this pattern as inspiration, your Pillow may not be exactly the same as that in the photo.

3. Pillow Back is worked in two halves. These halves are overlapped when sewing Pillow tog to create an envelope-style back through which pillow form can be inserted.

4. Backs and Front of Pillow are sewed tog after felting, using sewing thread and a sharp sewing needle.

5. Pillow is worked with 1 strand of A OR 2 strands of B held tog.

BACK (make 2)

With a single strand of A, cast on 96 sts.

Work in St st (k on RS, p on WS) until piece measures about 14 1/2 in. (37 cm) from beg, end by working a RS (knit) row. Knit 5 rows for Garter st (k every row) edge. Bind off.

FRONT

Notes:

1. 'A' sections of chart are worked with 1 strand of A, 'B' sections of chart are worked with 2 strands of B held tog.
2. When working from chart, read RS rows from right to left, and WS rows from left to right.

With A, cast on 93 sts.

Following Row 1 of Chart, and working with 1 strand of A for A sections and 2 strands of B for B sections, knit first 21 sts of chart, then knit the 24-sts rep for a total of 3 times.

Continue in St st, following Chart until Row 8 has been completed, then rep Chart rows 1-8 until piece measures 23 in. (58.5 cm) from beg.

Bind off.

FINISHING

Felting

Wash pieces by machine on a hot wash/cold rinse cycle with detergent and several pieces of clothing to agitate. To felt additionally, dry by machine on a regular setting until almost dry. Remove from dryer and pull into shape.

Notes:

1. If your felted pieces vary slightly in size, adjustments are provided in Assembly instructions below. Allow pieces to dry completely.
2. The A color yarn will felt, while the B color yarn will not.

Assembly

Note: Assembly instructions that follow are based on a 20 in. (51 cm) square felted pillow. Adjust size of purchased pillow form as necessary to suit the size of your felt pieces.

Arrange Backs on a flat surface with RS facing and Garter edges overlapping slightly to form a 20 x 20 in. (51 x 51 cm) square. Sew Backs tog at overlapped edges.

With WS facing, lay Front onto Back, easing pieces to fit and trimming edges of Backs and/or Front to fit. With sewing needle and thread, sew Back to Front around entire outside edge.

Turn Pillow to RS. Sew 3 buttons evenly spaced across Garter edge on underlap of Back. On overlap edge of Back, cut 3 buttonholes. **Note:** Felted fabric will not ravel, you can simply cut slits for the buttonholes. You do not need to

sew over the edges of the buttonholes (unless you choose to!)

Weave in ends.

Measure your finished, felted cover and purchase the appropriate size pillow form OR follow instructions below to make a custom size form.

Custom size pillow form

Cut two pieces of fabric, each 1/2 in. (1.5 cm) larger all around than felted pillow.

With fabric pieces RS tog, and using a 1/2 in. (1.5 cm) seam allowance, sew pieces tog around 3 sides. Turn to RS, stuff with fiberfill, and sew remaining side of fabric cover closed.
