Small Hanger 35 in. (89 cm), not including tassel

Large Hanger 50 in. (127 cm), not including tassel

CORRECTIONS: (applied Jun 28, 2011)

SMALL HANGER

Knotting

You will have 4 groups of A strands. Divide each of these groups in half to make 8 groups (illustration 2).

Using one A strand, wrap and knot around one group of strands for 8 1/2 in. (22 cm). Repeat for remaining groups.

Rearrange strands to make 4 groups. Wrap and knot around each group for 6 in. (15 cm).

With 4 A strands held together, wrap and knot around all strands for 4 in. (10 cm) (illustration 3).

MATERIALS

- 480-098 Lion Brand Nature's Choice Organic Cotton Yarn : Almond
1 3 Ball (A)
- 480-169 Lion Brand Nature's Choice Organic Cotton: Dusty Sage
1 2 Ball (B)
- Large-Eye Blunt Needles (Set of 6)
- Additional Materials
Binder clips or clothes pins
Dowel and rubber bands (optional, if you would like to work on a flat surface)

GAUGE:

Exact gauge is not important to this project

NOTES:

1. Photos show knotting in a vertical position, with yarn strands hanging from a hook. If desired, you may wish to work on flat surface.
2. Photos are for how to only. The Hanger pictured does not match the color combinations in this pattern.
3. Use binder clips or clothes pins to keep groups of yarn strands untangled while working.
4. You will need to anchor the Planter hanging loop onto a stationary object. One suggestion would be to slip a dowel through the hanging loop, then slide the dowel ends between the handles of two kitchen cabinets.
5. After the initial knot with a group of strands, wind the remaining length of the strands in a figure-8 around your thumb and little finger to create a yarn 'butterfly'. Slip the butterfly off your fingers and secure the center with a rubber band. Unwind the yarn from the butterfly as

needed.

6. Hide the yarn ends by threading each end into a blunt needle, then weaving the end into the Hanger.

SMALL HANGER

Cutting

Cut yarn strands as follows:

From A, cut 16 strands each 14 ft. (4.5 m). These are strands A.

From B, cut 6 strands each 30 ft. (9 m) (strands B); 2 strands each 10 ft. (3 m) (strands C); and 2 strands each 40 ft. (12 m) (strands D).

Knotting

Hold all strands except C in a group. Fold in half and hang over a hook.

Tie C strands to the group of strands on the left side of the hook, 3 in. (7.5 cm) down from fold (photo 1). Slide this knot over the hook and onto the group of strands on the right side of the hook.

Bring the C strands around the group of strands to create a '4' shape. Bring C strands behind group of strands and through the open space of the '4', to form a loop. (photo 2).

Pull gently to tighten strands and create a knot (photo 3).

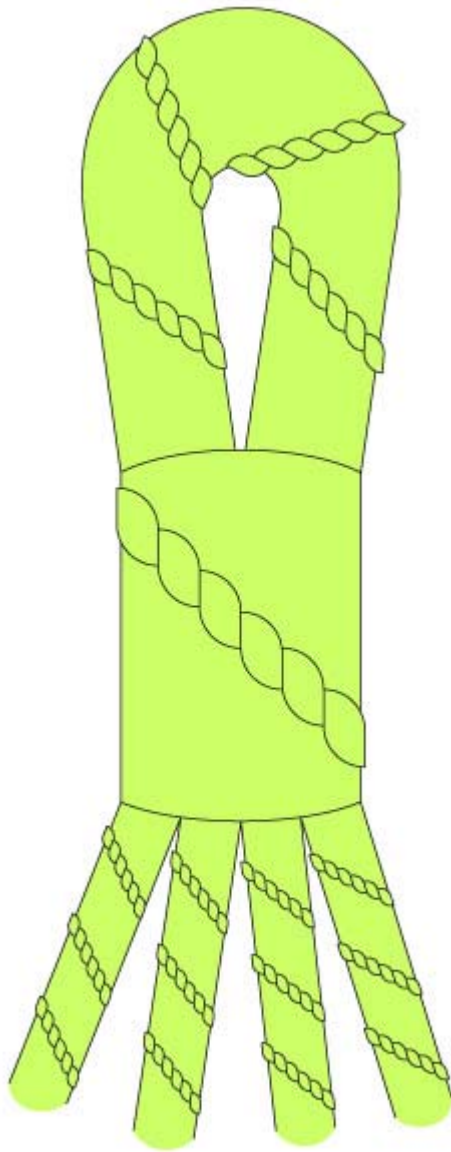

Continue wrapping and knotting in this way for 8 in. (20.5 cm). The knots will spiral around the strands (photo 4).

Anchor the hanging loop as described in Notes above.

Using longest strands (D strands), continue wrapping and knotting over the strands for 6 in. (15 cm).

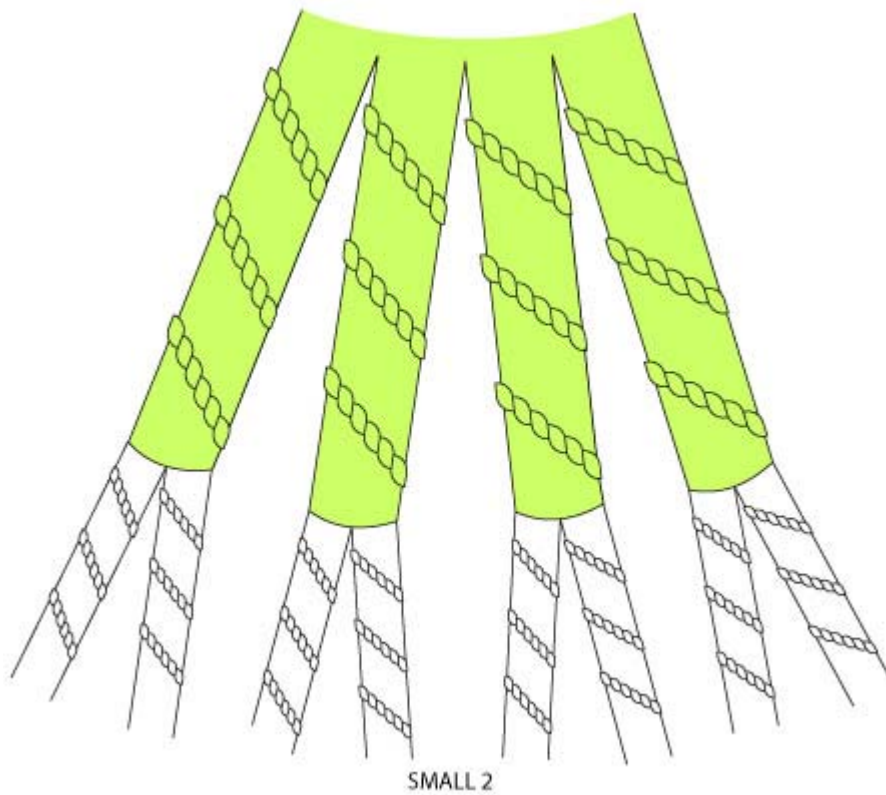

Divide strands into 4 groups (illustration 1). With 2 of the D strands, wrap and knot around 2 of the groups for 20 in. (51 cm). With B strands, wrap and knot around remaining 2 groups for 20 in. (51 cm).

SMALL 1

One at a time, thread end of each B, C and D strand into blunt needle. Hide yarn end in strands following Note 5 above.

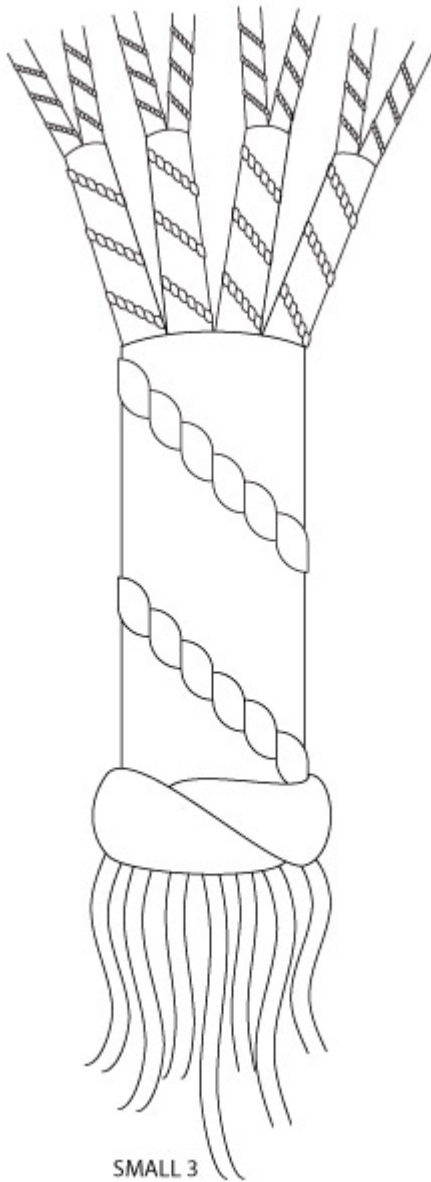

You will have 4 groups of A strands. Divide each of these groups in half to make 8 groups (illustration 2).

Using one A strand, wrap and knot around one group of strands for 8 1/2 in. (22 cm). Repeat for remaining groups.

Rearrange strands to make 4 groups. Wrap and knot around each group for 6 in. (15 cm).

With 4 A strands held together, wrap and knot around all strands for 4 in. (10 cm) (illustration 3).

Divide strands into 2 groups. Knot one group around the other. Trim ends of knot, and hide each strand in the Hanger as before.

Trim ends of remaining strands to make tassel.

LARGE HANGER

Cutting

Cut yarn strands as follows:

From A, cut 16 strands each 40 ft. (12 m) (strands A) and 2 strands each 12 ft. (3.5 m) (strands C).

From B, cut 4 strands each 44 ft. (13.5 m) (strands B); and 4 strands each 50 ft. (15 m) (strands C).

Knotting

Hold all strands except C in a group. Fold in half and hang over a hook.

Tie C strands to the group of strands on the left side of the hook, 3 in. (7.5 cm) down from fold (photo 1). Slide this knot over the hook and onto the group of strands on the right side of the hook.
