GAUGE:

Exact gauge is not important to this project

Note: For ease in working, cut yarn into lengths of several yards (meters) before beginning to wrap Bracelets.

COLOR BLOCK BRACELET

Apply a small amount of glue to one section of inside of Bracelet and begin wrapping with A. Continue wrapping with A, until about 1 in. (2.5 cm) of the Bracelet has been covered. Glue one end of B strand to inside of Bracelet, then wrap B around Bracelet, concealing A strand under B wraps. When about 1 in. (2.5 cm) of Bracelet has been wrapped with B, glue one end of C strand to inside of Bracelet and continue wrapping with C, concealing A and B strands under C wraps.

Continue in this way to wrap Bracelet for 1 in. (2.5 cm) each with A, B and C, until entire Bracelet has been wrapped. Cut strands and apply glue to secure yarn tails to inside of Bracelet.

Allow to dry.

SOLID BRACELET

Apply a small amount of glue to one section of inside of Bracelet and begin wrapping with D. Continue to apply glue and wrap with yarn until entire Bracelet is covered. Cut yarn and apply additional glue to secure yarn tail to inside of Bracelet. Allow to dry.

STRIPED BRACELET

Hold one strand each of E and F together, then apply glue and wrap Bracelet same as for Solid Bracelet.
