18 sts = 4 in. If it takes you less stitches and rows to make a 4 in. [10 cm] square, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

STITCH EXPLANATION:

kfb (knit into front and then back)

An increase worked as follows:

1. Knit the next st through the front loop, but do not remove the st from your left hand needle.
2. Knit the same st once more, this time inserting your needle through the back loop of the st. You will have created 2 loops (sts) on your right hand needle.
3. Drop the st from your left hand needle - 1 st increased.

ssk (slip, slip, knit) Slip next 2 sts as if to knit, one at a time, to right needle; insert left needle into fronts of these 2 sts and knit them tog - 1 st decreased.
