**Lion Brand® LB Collection® Organic Wool - LB Collection® Wool**  
**Stainless Steel**  
**Wheel Necklace**  
Pattern Number: L10034

**Free Craft Pattern from Lion Brand Yarn**  
**Lion Brand® LB Collection® Organic Wool - LB Collection® Wool**  
**Stainless Steel**  
**Wheel Necklace**  
Pattern Number: L10034

**SKILL LEVEL:** Intermediate

**SIZE:** One Size

Wheel is about 2 ½ in. (6.5 cm) in diameter

**CORRECTIONS:** None as of Mar 15, 2011. To check for later updates, click [here](#).

**MATERIALS**

- 481-145 Lion Brand LB Collection Organic Wool: Eggplant  
1 Ball (A)
- 485-114 Lion Brand LB Collection Wool Stainless Steel: Cerise  
1 Ball (B)
- Large-Eye Blunt Needles (Set of 6)
- Additional Materials

**JEWELRY MAKING SUPPLIES AND MATERIALS**

One 4 in. (10 cm) round plastic canvas circle

One 18 in. (45.5 cm) gold chain

Two 1/4 in. (0.5 cm) jump rings

Flat nose pliers for jewelry making

Sharp scissors

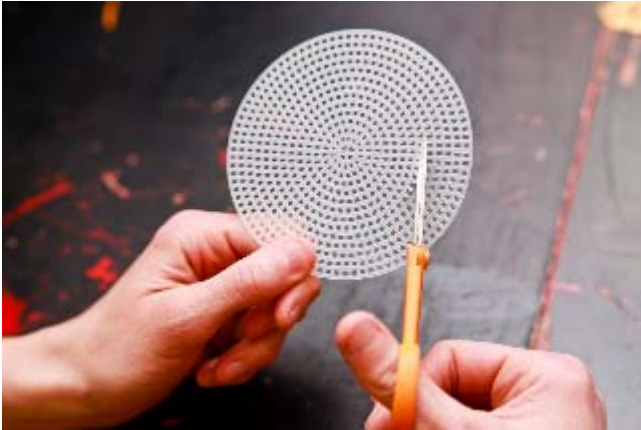

**GAUGE:**

Exact gauge is not important to this project

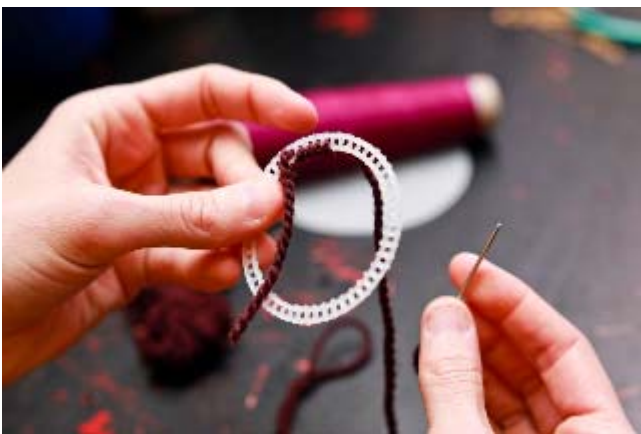

## NECKLACE RING

With sharp scissors, cut around 8th ring from canvas center (photo #2). Trim outside edge of canvas to create a smooth edge (photo #3). Cut around 6th ring from canvas center, keeping close to the right hand side for a smooth edge. Trim any uneven inner edges.

### Cover Inner Edge of Ring

Thread blunt needle with A and whipstitch around inner Ring, inserting needle through holes in Ring (see photo #4). To end off, insert needle under whipstitches on wrong side of Ring to conceal yarn end.

### Fill-In Ring Center

Thread blunt needle with B.

Insert needle from wrong side through one of the holes in Ring. Re-insert needle from right side down, through the hole that is 26 holes away, and pull yarn tight (photo #5).

Continue working clockwise as established, crossing over Ring center and inserting threaded needle into next available hole (photos #6 and #7). Tie a double knot and cut yarn after all holes have been filled.

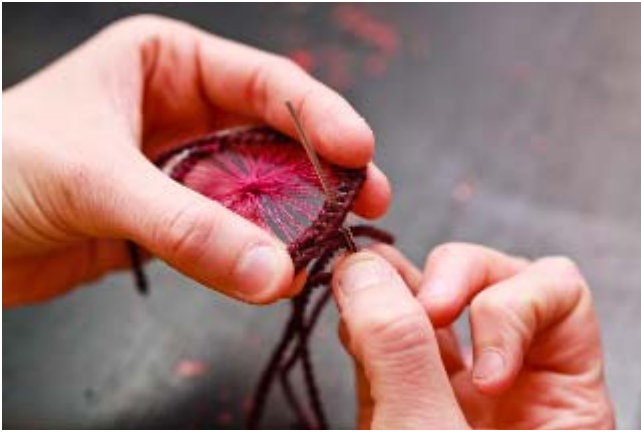

### **Cover Outer Edge of Ring**

Thread blunt needle with A and whipstitch around outer Ring (photo #8). To end off, hide yarn tail on wrong side of Ring.

Thread blunt needle with A and work running stitch around Ring to hide any remaining 'spokes' as follows: Insert needle into one hole and then re-insert needle into another hole 2 spaces away. Continue as established, inserting needle into holes, covering two spaces at a time, until all spokes have been covered (photos #9, #10 and #11).

Cut yarn and hide yarn tail under whipstitches.

### **FINISHING**

Attach jump rings to wheel as shown in photo #12 using pliers to pinch jump ring closed. Thread chain through jump rings (photo #13).
