STITCH EXPLANATION:

2/2 LC (2 over 2 left cross) Slip 2 sts to cable needle and hold in front of work, k2, then k2 from cable needle.

2/2 RC (2 over 2 right cross) Slip 2 sts to cable needle and hold in back of work, k2, then k2 from cable needle.

M1 (make 1) An increase worked by lifting the horizontal thread lying between needles and placing it onto left needle. Knit this new stitch through the back loop - 1 st increased.

M1P (make 1 st as if to purl) An increase worked by lifting the horizontal thread lying between the needles and placing it onto the left needle. Purl this new stitch through the back loop - 1 st increased.

ssk (slip, slip, knit) Slip next 2 sts one at a time, as if to knit, to right needle; insert left needle into fronts of these 2 sts and knit them tog - 1 st decreased.

NOTES:

1. Body is worked in the rnd, beg at top of head.
2. Markers are placed on Rnd 8 to indicate where sts will be increased and decreased to shape face.
3. Arms, Ears, and Tail are worked separately in the rnd and sewn to Lamb.
4. When working in the rnd on double pointed needles (dpn), your sts need to be divided fairly evenly onto the needles. If you are working with a set of 4 dpn, your sts should be divided among 3 needles. The total number of sts will not always be evenly divisible by the number of dpns that you are using - this is not a problem! Simply divide your sts as evenly as possible, you will still create a symmetrical 'tube' of knitting.
