GAUGE:

11 sts = about 4 in. (10 cm). EXACT GAUGE IS NOT ESSENTIAL FOR THIS PROJECT. BE SURE TO CHECK YOUR GAUGE. When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. If it takes you less stitches and rows to make a 4 in. [10 cm] square, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

NOTES:

1. Follow loom manual instructions for SINGLE KNITTING for how to cast on, knit, bind off and change color.
2. Cowl is knit on only one side of the loom. Loom is configured into an oval to accommodate the large number of stitches.
3. Small pegs are only used to hold loom together. Do not knit onto small pegs.
4. Cowl is knit as a rectangle, then seamed together.

Loom Configuration

Use the following pieces: (2) 36-hole pieces, (2) 28-hole semi-circular pieces.

Connect pieces to form an oval as follows: 36-hole piece > 28-hole semi-circular piece > 36-hole piece > 28-hole semi-circular piece.

Place one small peg in each connecting hole to hold loom together.

Insert 42 large pegs into every other hole along one long side of assembled loom - 42 working pegs placed.

COWL

Following loom manual instructions, with A, cast onto all working pegs.

Rows 1-2: With A, knit. Change to B.

Rows 3-4: With B, knit. Change to C.

Rows 5-6: With C, knit. Change to A.

Repeat Rows 1-6 until piece measures about 26 in. (66 cm) from beginning.

Bind off.

FINISHING

Fold Cowl in half, matching last row to first row. Thread a length of A through yarn needle provided with loom and sew Cowl together to form a tube. Thread yarn ends through same needle, and weave ends into the fabric of the scarf.

Every effort has been made to have the knitting and crochet instructions accurate and complete. We cannot be responsible for variance of individual knitters and crocheters, human errors, or typographical mistakes.
