GAUGE:

18 sts = about 4 in. (10 cm) in St st (k on RS, p on WS). BE SURE TO CHECK YOUR GAUGE. When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. If it takes you less stitches and rows to make a 4 in. [10 cm] square, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

STITCH EXPLANATION:

skp Slip 1 as if to knit, knit 1, pass slip stitch over knit stitch - 1 st decreased.

NOTES:

1. Entrelac knitting consists of rows of triangles and blocks that are worked in short rows. Short rows are rows that are worked over a portion of the sts in a row, leaving the remaining sts unworked. To work short rows, the pattern instructions will tell you to 'turn' before you reach the end of the row.
2. When knitting in the rnd on double pointed needles (dpns), your sts need to be divided fairly evenly onto the needles. If you are working with a set of 4 dpn, your sts should be divided among 3 needles. If you are working with a set of 5 dpn, your sts should be divided among 4 needles. The total number of sts will not always be evenly divisible by the number of dpns that you are using - this is not a problem! Simply divide your sts as evenly as possible, you will still create a symmetrical 'tube' of knitting.
3. Slip sts as if to purl.

BERET

Ribbing

With circular needle and A, cast on 80 sts. Place marker for beg of rnd. Join by working the first st on left hand needle with the working yarn from the right hand needle and being careful not to twist sts.

Rnds 1-12: *K1, p1; rep from * to end of rnd.

Rnd 13 (turning ridge): Purl to end of rnd.

Rnds 14-25: *K1, p1; rep from * to end of rnd.

Fold ribbing, along the turning ridge, to the inside so that the cast-on edge is behind your needles and the turning ridge is at the bottom of the piece.

Joining Rnd: Insert left needle into first loop from cast-on edge; with right needle, knit the loop together with next st on left needle; *insert left needle into next loop from cast-on edge; with right needle, knit the loop together with next st on left needle; rep from * to end of rnd.
