NOTES:

1. Materials are sufficient to make several toppers.
2. Ribbon is worked with one strand each of the 3 yarns held together.

LOOP RIBBON

Measure around your gift box to determine the finished length of Ribbon.

Thread sewing machine with matching thread and pull a generous amount of thread from both the top thread and bobbin. This will be used later to tie the Ribbon to the package.

Holding one strand of each yarn together, sew back and forth across ends to secure.

Fold strands to make a loop about 1 in. (2.5 cm) wide to the left of the presser foot. Tuck the new crossing yarns under presser foot and sew. Repeat on the right.

Continue making loops on each side alternately until Ribbon is desired length.

FINISHING

Sew back and forth over end to secure, and continue sewing about 1/2 in. (1 cm) past the end of the last loop of yarn. Lift presser foot and again pull out a generous amount of thread from the top and bobbin to use for a tie. Cut thread. Trim any extra yarn even with loops. Tie Ribbon around package and give to someone fancy!
