GAUGE:

12 sts + 9 rows = 4 in. (10 cm) in pattern. BE SURE TO CHECK YOUR GAUGE. When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. If it takes you fewer stitches and rows to make a 4 in. [10 cm] square, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

STITCH EXPLANATION:

dc3tog (dc 3 sts together) Yarn over, insert hook into st and draw up a loop, yarn over and draw through 2 loops. (Yarn over, insert hook into next st and draw up a loop. Yarn over, draw through 2 loops) twice. Yarn over and draw through all loops on hook - 2 sts decreased.

FPDC (front post double crochet) Yo, insert hook from front to back then to front, going around post of indicated st, draw up a loop, (yo and draw through 2 loops on hook) twice. Skip st behind the FPDC. **Note:** In this design, post sts are worked around sts 2 rnds below. This means that they are worked around the sts in the rnd numbered 2 less than the rnd being worked. For example, if you are working Rnd 3 and are instructed to work "around st 2 rnds below", you will work around a st in Rnd 1. Take care to skip the st 'behind' the FPDC.

sc3tog (sc 3 sts together) Insert hook into st and draw up a loop. (Insert hook into next st and draw up a loop) twice. Yarn over, draw through all 4 loops on hook - 2 sts decreased.

sc5tog (sc 5 sts together) Insert hook into st and draw up a loop. (Insert hook into next st and draw up a loop) 4 times. Yarn over, draw through all 6 loops on hook - 4 sts decreased.

NOTES:

1. Afghan is made from 10 Large Squares and 40 Small Squares.

2. The Squares are worked separately then sewn together following the Assembly Diagram. An edging is then worked around the outside edge of the Afghan.
3. Each Square is worked back and forth in rows, with a decrease worked at the center of each row to form the miter. Sc rows are alternated with dc rows. When working a dc row, a dc3tog (decrease 2 sts) is worked in the center of the row. When working a sc row (except first row), a sc5tog (decrease 4 sts) is worked in the center of the row.
4. A stitch marker is used to mark the center of each row, where the decreases will be worked. If you can 'read' your crochet, you will not need to use the marker.
5. The ch 1 at the beg of the sc rows does not count as a st; the ch 3 at the beg of the dc rows does count as the first dc.

NOTES

1. To join with an sc; Make a slip knot on hook, then insert hook into specified st and draw up a loop, yarn over and complete the sc in the usual way.

2. To make it easier to work a large number of sc evenly spaced across the outside edges of the Afghan, you may wish to divide the edges into smaller sections. For instance, if you divide the longer edge into quarters, then you would work approximately 46-47 sc along each quarter section of the long edge.

Rnd 1: With RS facing, join E with an sc in any corner to work across one long side edge, ch 1, work 185 sc evenly spaced across long edge, ch 2 (corner), work 151 sc evenly spaced across short edge, ch 2, work 186 sc evenly spaced across long edge, ch 2, work 151 sc evenly spaced across short edge, ch 2, join with sl st in first sc.

Rnd 2: Ch 1, *sc in each sc to next corner ch-2 sp, (sc, ch 2, sc) in corner ch-2 sp; rep from * 3 more times; join with sl st in first sc. Fasten off.

Rnd 3: With RS facing, join A with a sl st in any corner ch-2 sp to work across one long side edge, ch 5 (counts as dc, ch 2), dc in same ch-2 sp, *dc in next sc, (FPDC around next sc 2 rnds below, dc in next 4 sc) 37 times, FPDC around next sc 2 rnds below, dc in next sc, (dc, ch 2, dc) in corner ch-2 sp, dc in next sc, (FPDC around next sc 2 rnds below, dc in next 4 sc) 30 times, FPDC around next sc 2 rnds below, dc in next sc**, (dc, ch 2, dc) in next corner ch-2 sp; rep from * to **; join with sl st in 3rd ch of beg ch. Fasten off.

Weave in ends.
