GAUGE:

24 sts + 28 rows = 4 in. (10 cm) in Zigzag pattern;
 28 sts + 20 rows = 4 in. (10 cm) in Smocking pattern.

BE SURE TO CHECK YOUR GAUGE. When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. If it takes you fewer stitches and rows to make a 4 in. [10 cm] square, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

STITCH EXPLANATION:

M1 (make 1) An increase worked by lifting the horizontal thread lying between needles and placing it onto left needle. Knit this new stitch through the back loop - 1 st increased.

skp Slip 1 as if to knit, knit 1, pass slip stitch over knit stitch - 1 st decreased.

sk2p (slip-k2tog-pass slipped st over)

A double decrease worked as follows:

1. Insert right needle as if to knit, and slip the next st from the left needle to the right needle.
2. Knit the next 2 sts tog.
3. With tip of left needle, lift the slip st (the 2nd st on right needle) up and over the k2tog (first st on right needle) and off the needle - you have decreased 2 sts.

Diagonal st

1. K3tog through back loops, but do not remove the 3 sts from the left hand needle.
2. Yarn over, then knit the same 3 sts tog through back loops again, and slip the sts from the left hand needle.
