GAUGE:

20 sts + 40 rows = 4 in. (10 cm) in Garter st (k every row).

BE SURE TO CHECK YOUR GAUGE. When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. If it takes you fewer stitches and rows to make a 4 in. [10 cm] square, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

STITCH EXPLANATION:

kfb (knit in front and back) Knit next st without removing it from left needle, then k through back of same st – 1 st increased.

NOTES:

1. Jacket is made from 8 pieces; Back, 2 Fronts, 2 Pocket Linings, 2 Sleeves, and Hood.
2. The Back and Sleeves are worked beg at lower edge.
3. The Fronts and Pocket Linings are worked diagonally, beg at lower front corner.
4. Hood is worked diagonally, beg at peak of Hood.
5. Front edging is worked with a circular needle to accommodate the large number of sts.
6. Because the direction of knitting varies throughout this pattern, schematics have been labeled with the cast on edge and the direction of knitting. Refer to the schematics as you work each piece to clarify the shaping.
