HEADBAND

Headband is wrapped with yarn in 15 sections, each about 1 in. (2.5 cm)

Apply a small amount of glue to a 1 in. (2.5 cm) area at one end of Headband and wrap with one strand of emerald green yarn for about 1 in. (2.5 cm). Trim beginning end of yarn, add a tiny additional bit of glue to secure the beginning end of yarn, and allow to dry.

As you continue to wrap the Headband, you can glue yarn ends in place or you can hide the yarn ends by wrapping over them. Just do whichever is easier for you!

Apply glue to the next 1 in. (2.5 cm) section of Headband. Wrap this section with the strand of emerald green AND a strand of pea green.

Continue applying glue and wrapping 1 in. (2.5 cm) sections of the Headband, in the following color sequence or using the colors as desired:

One strand of pea green

One strand each pea green and light blue

One strand light blue

One strand each light blue and dark blue

One strand dark blue

One strand each dark blue and purple

One strand purple

One strand each purple and hot pink

One strand hot pink

One strand each hot pink and red

One strand red

One strand each red and peach
