GAUGE:

14 sts = 4 in. (10 cm) over pattern.

BE SURE TO CHECK YOUR GAUGE. When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. If it takes you fewer stitches and rows to make a 4 in. [10 cm] square, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

NOTES:

1. Scarf is worked in a modular fashion. Sts for each Motif are worked onto previous Motif. Each Motif is worked the same.
2. Scarf is worked in two halves.
3. To change color, work last st of old color to last yarn over. Yarn over with new color and draw through all loops on hook to complete the st.
