NOTES:

Yarn A is a loosely knit tube of yarn. Scarf is made by gathering sections of A around a knot to form flowers.

Color for B yarn

White with silver metallic

SCARF

Yarn A is a tube. Knot one end of A. *Thread a 36 in. (91.5 cm) length of B into blunt needle. Draw needle

threaded with B through center of A yarn for about 10 in. (25 cm). Pull on B yarn to gather A yarn into a puffy 'flower' around the A know. Sew a few stitches through the flower with B to hold it in place. Knot and then cut B. Measure 5 in. (13 cm) beyond flower and tie another knot in A; repeat from * across the length of A.

Every effort has been made to have the knitting and crochet instructions accurate and complete. We cannot be responsible for variance of individual knitters and crocheters, human errors, or typographical mistakes.
