GAUGE:

20 sts + 30 rows = about 4 in. (10 cm) in pattern.

One Square = about 2 x 2 in. (5 x 5 cm).

BE SURE TO CHECK YOUR GAUGE. When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. If it takes you fewer stitches and rows to make a 4 in. [10 cm] square, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

STITCH EXPLANATION:

M1 (make 1) An increase worked by lifting the horizontal strand lying between needles and placing it onto the left needle. Knit this new stitch through the back loop – 1 st increased.

NOTES:

1. Scarf is worked in two columns of mitered Squares. Sts are picked up across the edge of previous Square(s) to beg the next Square.
2. Each Square is worked back and forth in rows with decreases worked in the center of every other

row to form the miter.

3. To change color, cut the old color and begin working with new color leaving long yarn tails. You may knot the old and new yarn tails together, if desired. When you have finished knitting, unknot the tails and weave them in.
