Circular knitting needle size 10 (6 mm), 60 in. (152.5 cm) long

GAUGE:

14 sts = 4 in. (10 cm) over Traveling Cable pattern.

BE SURE TO CHECK YOUR GAUGE. When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. If it takes you fewer stitches and rows to make a 4 in. [10 cm] square, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

STITCH EXPLANATION:

4/3 LC (4 over 3 left cross) Slip 4 sts to cable needle and hold in front of work, k3, then k4 from cable needle.

3/3 LC (3 over 3 left cross) Slip 3 sts to cable needle and hold in front of work, k3, then k3 from cable needle.

4/3 RC (4 over 3 right cross) Slip 3 sts to cable needle and hold in back of work, k4, then k3 from cable

needle.

3/3 RC (3 over 3 right cross) Slip 3 sts to cable needle and hold in back of work, k3, then k3 from cable needle.

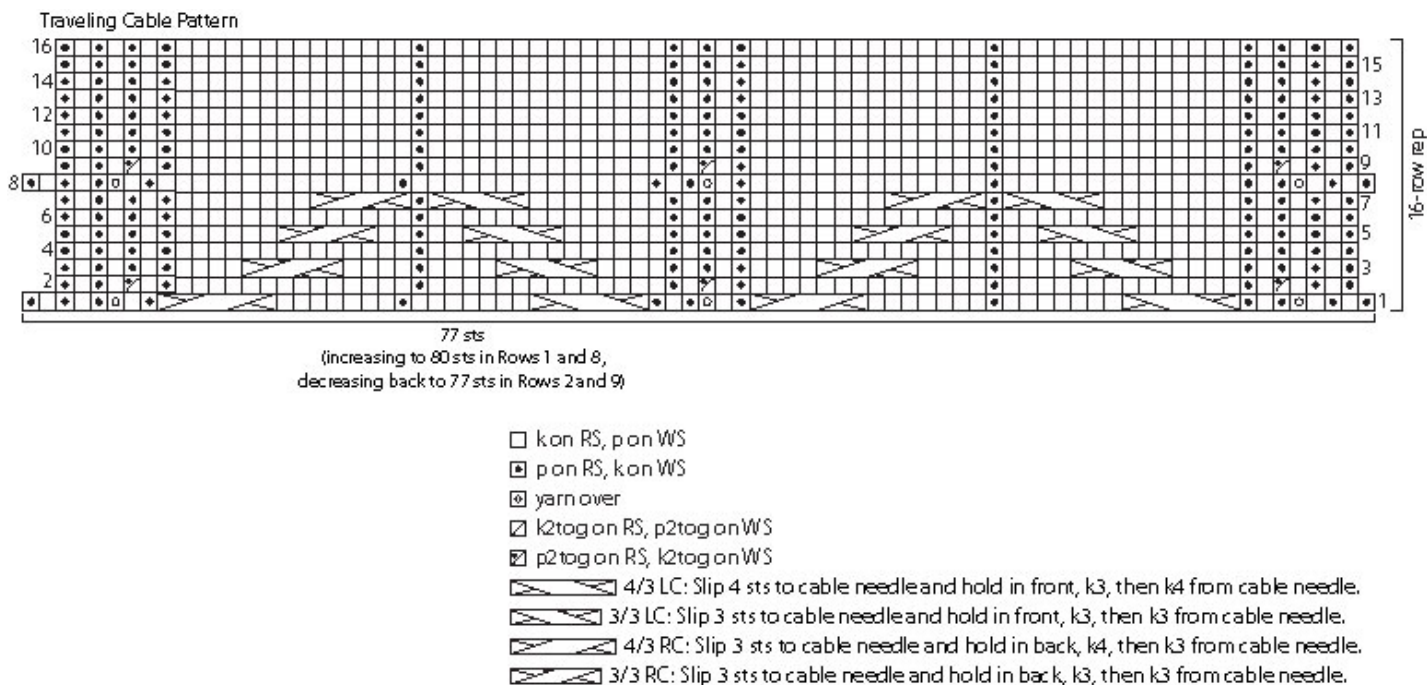

yo (yarn over)

An increase that also creates a small decorative hole (eyelet) in the fabric, worked as follows:

1. Bring yarn to front, between the needles.
2. Take yarn to back, over the right needle to make a new st.

NOTES:

1. Shawl is worked in one piece in a Traveling Cable pattern with ribbing at each end.
2. A circular needle is used to accommodate the large number of sts. Work back and forth on circular needle as if working on straight needles.
3. The Traveling Cable pattern can be worked by following the written instructions or by following the chart. When following the chart, read RS rows of chart from right to left and WS rows from left to right.
4. The Traveling Cable pattern works columns of eyelets (made with yarn overs) between the cables. Sts are picked up along both sides of each eyelet column for faux cables.
5. Making the eyelets with yarn overs will increase the st count on that specific row, but the st count will be reduced on the following row by working k2tog's or p2tog's.
6. Faux cables are created by working in St st (k on RS, K on RS) over picked up sts to make St st bands, then wrapping these bands at spaced intervals.
