## GAUGE:

20 sts +40 rows $=4 \mathrm{in} .(10 \mathrm{~cm})$ in Garter st (k every row).
BE SURE TO CHECK YOUR GAUGE. When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. If it takes you fewer stitches and rows to make a 4 in . [10 cm] square, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

## STITCH EXPLANATI ON:

## TECHNI QUE EXPLANATI ON

## Cable Cast On

Transfer needle with sts to left hand. With empty needle in right hand, *insert right needle
between first 2 sts on left needle; wrap yarn and pull through (as if knitting a st); transfer new st to left needle. Repeat from * for desired number of sts.

## NOTES:

1. A strip of mitered squares is worked first, then sts are picked up across one long edge to work stripes.
2. The Squares are added in a modular fashion; sts are picked up across the edge of the previous Square to beg the next Square.
3. Each Square is worked back and forth in rows with decreases worked in the center of every other row to form a miter. 4. Work Squares in colors of your choice.
4. To change color, cut the old color leaving a long yarn tail then beg working with new color leaving a beg yarn tail. You may knot the old and new yarn tails together, if desired. When you have finished knitting, unknot the yarn tails and weave them in.
