GAUGE:

5 groups of 3-dc + 6 rounds = 4 in. (10 cm) in pattern using size H-8 (5mm) hook.

BE SURE TO CHECK YOUR GAUGE. When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. If it takes you fewer stitches and rows to make a 4 in. [10 cm] square, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

NOTES:

1. Beret is worked in joined rnds, with RS always facing.
2. To change color, work last st of old color to last yarn over. Yarn over with new color and draw through all loops to complete st.
3. When you see '- 12 sts' in the instructions, this lets you know how many sts you will have at the end of that specific row or rnd.
