#### GAUGE:

9 stitches + 12 rounds = about 4 in. (10 cm) in Stockinette stitch worked in rounds (knit every round).

When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. The needle or hook size called for in the pattern is based on what the designer used, but it is not unusual for gauge to vary from person to person. If it takes you fewer stitches and rows to make your swatch, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

#### NOTES:

Hat is worked in one piece in the round on double pointed needles.

#### HAT

Cast on 45 stitches. Divide stitches onto 4 needles, with 11 stitches on each of 3 needles and 12 stitches on the 4th needle. Place marker for beginning of round. Join by working the first stitch on left hand needle with the working yarn from the right hand needle and being careful not to twist stitches.

Work in Stockinette stitch worked in rounds (knit every round) until piece measures about 7 in. (18 cm) from beginning.
