### **NOTES:**

- 1. Arm knitting is a fun, fast technique that creates a wonderfully open fabric using only your arms! The openness of the fabric can be altered by how tight or loose you choose to make your stitches.
- 2. The Shawl is arm knit as a simple rectangle with 4 strands of yarn held together. Before beginning, wind each color yarn into 2 separate balls, so that you have 4 balls total.

### **SHAWL**

With 2 strands each of A and B (4 strands total), cast on 17 stitches following Lion Brand Yarn video instructions, "How To Arm Knit":

http://www.youtube.com/watch?v=WAgJ354UxQM

Arm knit until about 36 in. (91.5 cm) of yarn remains. Bind off.

#### **FINISHING**

Thread each yarn end into blunt needle, then weave through stitches. With sewing needle and thread, sew button at any corner of Shawl.
