Metallics: 5 oz./140g (92 yd/84 m)*

GAUGE:

13 stitches + 14 rounds = about 4 in. (10 cm) over pattern.

When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. The needle or hook size called for in the pattern is based on what the designer used, but it is not unusual for gauge to vary from person to person. If it takes you fewer stitches and rows to make your swatch, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

Making a Gauge Swatch

NOTES:

Neckwarmer is worked in one piece in the round.

NECKWARMER

Cast on 120 stitches. Place marker for beginning of round. Turn one end over (180 degree turn) to put a twist in the cast-on. Keeping the twist, join by working the first stitch on the left hand needle with the working yarn from the right hand.

Round 1: *Knit 2 stitches, purl 2 stitches; repeat from * around.

Repeat Round 1 until piece measures about 5 1/2 in. (14 cm) from beginning.

Bind off.

FINISHING

Weave in ends.
