GAUGE:

14 sts = about 4 in. (10 cm) in Garter stitch (k every row)

When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. The needle or hook size called for in the pattern is based on what the designer used, but it is not unusual for gauge to vary from person to person. If it takes you fewer stitches and rows to make your swatch, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

STITCH EXPLANATION:

kfb (knit in front and back) Knit next st without removing it from left needle, then k through back of same st – 1 st increased.

NOTES:

1. Throw is worked diagonally in one piece in Garter st (k every row), changing color following

a Stripe Sequence.

2. For first half of Throw, one st is increased on each row. For second half of Throw, one st is decreased on each row.

3. A circular needle is used to accommodate the large number of stitches. Work back and forth in rows as if working on straight needles.

STRIPE SEQUENCE

*Work 4 rows with A, 4 rows with B, 4 rows with C and 4 rows with D; rep from * for Stripe Sequence.
