GAUGE:

17 sts = about 4 in. (10 cm) with larger needles in pattern.

When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. The needle or hook size called for in the pattern is based on what the designer used, but it is not unusual for gauge to vary from person to person. If it takes you fewer stitches and rows to make your swatch, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

STITCH EXPLANATION:

STITCH EXPLANATION

K1, p1 Rib worked in rnds

Rnd 1: *K1, p1; rep from * around.

Rep Rnd 1 for K1, p1 Rib worked in rnds.

NOTES:

1. Hat is worked in the rnd on double-pointed needles beg at lower edge.
2. Color is changed to create stripes. When changing color, cut old color, leaving a long yarn tail to weave in later.
3. Our sample used almost every bit of some of the C-J colors. Since every knitter is unique, you may find that you do not have enough of one of these colors to complete the total number of rnds for that stripe. If this happens, don't worry! One or two missing rnds will still create a super Hat. If you like, you can simply work an additional rnd (or 2) with A.

HAT

With smaller needles and A, cast on 88 sts. Divide sts onto 4 needles with 22 sts on each needle. Place marker for beg of rnd and join by knitting the first st on the left hand needle with the working yarn from the right hand needle and being careful not to twist sts.

Rnds 52-57: With A, rep Rnds 46 and 47 three more times – 64 sts at end of Rnd 57.
