

**WOOL-EASE®**  
**Snowman and Snow Angel Ornaments**

(Approximately ½ hour per item)

You can easily make these beautiful ornaments by wrapping Lion Brand Wool-Ease around a 7" length of cardboard and making a tassel.

Decorating these ornaments can be a lot of fun. For instance, we used gold beads, gold wings, and gold pipe cleaners. You can use anything you'd like to decorate them.

These ornaments take very little time and make great gifts. Have fun!
