

Homespun[®] Tassel Doll

(approx. 1 hour per doll)

MATERIALS:

3 skeins Lion Brand Homespun yarn

(2 skeins for the body, 1 skein for the hair)

Tapestry needle

18" x 6" piece of heavy cardboard

* Buttons for eyes and nose, pipe cleaner for mouth, and waterproof glue

INSTRUCTIONS (for one 14" tassel doll):

1. Body: Wrap 2 skeins of yarn around an 18" length of cardboard or foam core.

Hair: Wrap the third skein over the top of the yarn you have already wrapped.

2. Double a 24" piece of yarn and thread through the top of tapestry needle, thread through top of tassel, and tie tightly. Cut other end open to remove cardboard.

3. Separate the **hair** yarn from the **body** yarn. Using a 12" length of yarn, wrap around the body tightly about 4" below the top knot creating the **head**. Knot off. Trim and style hair any way you like.

4. By separating the strands, you can make the waist, arms, and legs by tying them together with yarn, *rubber bands or *elastic bands. Trim tightly.

5. Either sew or glue buttons on for eyes and nose, and the pipe cleaner as a mouth.

Every effort has been made to have craft instructions accurate and complete. We cannot be responsible for variance of individual crafters, human errors, or typographical mistakes.

* Caution: Small objects may present a choking hazard to young children
