### GAUGE:

12 stitches = 4" (10 cm) in Garter Stitch (knit all rows). BE SURE TO CHECK YOUR GAUGE.

When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. The needle or hook size called for in the pattern is based on what the designer used, but it is not unusual for gauge to vary from person to person. If it takes you fewer stitches and rows to make your swatch, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

### STOLE

With Fancy Fur, cast on 36 stitches. Work in Garter Stitch until piece measures 60" from beginning. Bind off all stitches. Weave in ends. Cut Incredible into 22" lengths for fringe. For each fringe, fold strand in half. Use crochet hook to draw fold through edge of Stole, forming a loop. Pull ends of fringe through this loop. Pull to tighten. Attach fringe across both short ends and one long edge of Stole.
