NOTES

1. Hat is made of 2 pieces.
2. Both pieces are worked in stripes. The stripes are made by alternating 2 colors of yarn.
3. To change color, work last stitch of old color to last yarn over. Yarn over with new color and draw through all loops to complete stitch. Carry color not in use loosely up side of piece until next needed.
4. You don't need to cut the yarn between color changes, just carry the strand of yarn loosely along the side of your work. This strand will be hidden when you sew the Hat together.
