NOTES

1. Two Squares are worked in easy Garter stitch (knit every stitch on every row) and stripes.
2. The stripes are made by alternating 2 colors of yarn. To change color, just drop the old color then pick up the new color and start knitting with it, leaving a long yarn tail for weaving in.
3. When working the striped section, carry the yarn you're not using along the side edge of the Square until you need it again.
4. Squares are sewn together, then one edge is gathered to make Hat.
