### GAUGE:

16 sc + 20 rows = about 4 in. (10 cm).

When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. The needle or hook size called for in the pattern is based on what the designer used, but it is not unusual for gauge to vary from

person to person. If it takes you fewer stitches and rows to make your swatch, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

### Making a Gauge Swatch

#### **NOTES:**

1. Clutch is worked with 2 strands of A held together.
2. Embroidery is worked with a single strand of B, C, D, E or F.

#### **CLUTCH**

With 2 strands of A held together, ch 38.

**Row 1:** Sc in 2nd ch from hook and each ch across – 37 sts.

**Row 2:** Ch 1, turn, sc in each st across.

Rep Row 2 until piece measures about 17 in. (43 cm) from beginning.

Fasten off.

#### **FINISHING**

Fold lower edge of Clutch up about 6 in. (15 cm) and seam sides. Fold remaining edge of Clutch down for flap.

#### **Embroidery**

Embroidery is worked freeform onto the flap of the Clutch with colors of your choice. Thread blunt needle with a length of B, C, D, E or F.

Bring your needle in and out of the spaces between the crochet stitches, rather than through the crochet stitches themselves.

Embroider Lazy Daisy flowers with French knot centers. For stems, lay a length of B, C, D, E or F onto Clutch flap. With a second strand threaded into blunt needle, embroider whip stitches over the strand to hold it in place.

Sew half of snap centered on underside of Clutch flap. Sew other half of snap to front of Clutch.

Weave in ends.
