NOTES

1. Afghan is worked in one piece in Stockinette st (k on RS, p on WS) with Garter st (k every row) borders.
2. A circular needle is used to accommodate the large number of stitches. Work back and forth on the circular needle as if working on straight needles.
3. The yarn color is changed to make stripes. To change color, cut the old color leaving a long yarn tail. Begin working with new color leaving a long beginning tail. If you like, knot the tails together until you finish the Afghan, then unknot them when you weave them in.
