**GAUGE:**

Exact gauge is not essential to this project.

**NOTES:**

1. Materials are sufficient to make 2 Napkin Rings.
2. Rectangles of plastic canvas are cut, then embroidered using simple stitches.
3. To embroider, thread blunt needle with a strand of indicated yarn, then follow stitch guide for how to work the stitches and follow the chart for placement of specific stitches and yarn colors.
4. As you work, be sure to keep the GLITTERSPUN® untwisted.
5. As you finish a row with one color of yarn, weave the yarn tail in and out through the stitches on the back of the plastic canvas to secure it before cutting yarn.
6. Note that rows of embroidery extend into adjoining rows of plastic canvas threads - for example, Row 2 is actually worked over the threads of Rows 2 and 3.
7. When embroidery is complete, ends of rectangles are joined to make Napkin Rings.

**NAPKIN RINGS (make 2)**

For each Ring, cut a rectangle from plastic canvas. Count the threads between the holes in the plastic canvas to cut a rectangle 10 threads x 44 threads. Refer to chart before beginning to note that embroidery

will be worked in rows across the 44 threads of the rectangle.

### **Version 1**

#### **Notes:**

1. Following chart, leave 2 threads unworked at beginning and end of each row. These 2 threads will be used to join the Ring.

2. For all yarn colors, leave 6 in. (15 cm) beginning yarn tails.

Yarn tails will be used to join the Ring.

**Row 1:** With A and following chart, overcast the lower edge of the rectangle.

**Row 2:** With B and following chart, work a row of Double Cross stitch.

**Row 3:** With D and following chart, work a row of Right Slanting stitch.

**Row 4:** With D and following chart, work a row of Left Slanting stitch.

**Row 5:** Rep Row 2.

**Row 6:** Rep Row 1.

With C, and following chart, work a row of back stitch across piece between Right and Left Slanting stitches.

### **Version 2**

Work as for Version 1, changing colors as follows:

**Row 1:** With A.

**Row 2:** With C.

**Row 3:** With D.

**Row 4:** With D.

**Row 5:** Rep Row 2.

**Row 6:** Rep Row 1.

With B, and following chart, work a row of back stitch across piece between Right and Left Slanting stitches.

### **FINISHING**

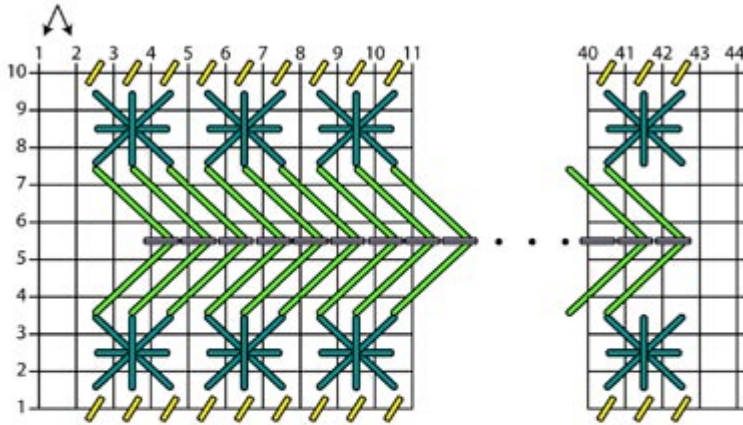

Lap ends of rectangle to form a ring, lining up unworked canvas threads at each end. With yarn tails of Rows 1 and 6, overcast the unworked threads together at each end to secure the Ring.

With beginning yarn tails, stitch over unworked threads to secure each row of the Ring.

Weave in ending yarn tails.

Leave first and last  
2 threads at each  
end unstitched
