HEADBAND

Cut eight 1 1/2 in. (4 cm) lengths of A. These will be used to cover the ends of the headband before you begin wrapping the band.

Apply glue to one end of headband and wrap 4 lengths of A over the end. Repeat on opposite end of band. Allow to dry.

Apply glue to a small section of the headband. Wrap A over glued area. Continue to apply glue and wrap with A until headband is completely covered.

Flowers

Cut two 6 in. (15 cm) lengths of B and set aside. Wrap B around 3 fingers 20 times. Gently slip yarn off fingers. Wrap cut length around center of the wrapped yarn and tie tightly. Cut the loops open and trim evenly. Repeat to make a second flower.

Glue Flowers to Headband. Glue a stone or bead to the center of each Flower.
