GAUGE:

9 sts = about 4 in. (10 cm) over Garter st (k every row).

When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. The needle or hook size called for in the pattern is based on what the designer used, but it is not unusual for gauge to vary from person to person. If it takes you fewer stitches and rows to make your swatch, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

STITCH EXPLANATION:

w&t (wrap and turn) A technique used to ensure that a small hole doesn't form at the end of a short row.

1. Slip next st as if to purl.
2. Bring yarn between needles to front. Take care not to wrap the yarn over a needle, this would create a new st.
3. Slip same st back to left needle.
4. Turn work and bring yarn in position for next st. This will place a yarn wrap around the st.
5. When next working the wrapped st, lift the wrap onto the left hand needle and knit it tog with the st.

NOTES:

1. Scarfie is worked in one piece.
2. Short rows are used to create the color pattern.

3. When changing color, the 2nd color in each repeat is always joined and then cut when that pattern rep is completed; A is carried along the side of the piece until next needed.
