GAUGE:

13 hdc = about 4 in. (10 cm) with A, B or C.

When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. The needle or hook size called for in the pattern is based on what the designer used, but it is not unusual for gauge to vary from person to person. If it takes you fewer stitches and rows to make your swatch, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

Making a Gauge Swatch

STITCH EXPLANATION:

Chain Stitch

Thread needle and bring from back to front through crocheted piece. *Hold short length of yarn on front forming a small loop. Insert needle back into where it last came out, do not pull tight. Bring needle back through work and through small loop; repeat from * until chain is desired length.

NOTES:

1. Each Cozy is crocheted in your choice of A, B or C, then trimmed with embellishments made with D and E yarns.
2. To change color, work last st of old color to last yarn over. Yarn over with new color and draw through all loops to complete st. Fasten off old color.

SOLID COZY

With A, B or C, ch 30, join with a sl st in beg ch to make a ring, being careful not to twist the ch.
