GAUGE:

11 1/2 half double crochet = about 4 in. (10 cm).

When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. The needle or hook size called for in the pattern is based on what the designer used, but it is not unusual for gauge to vary from person to person. If it takes you fewer stitches and rows to make your swatch, try using a

smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

Making a Gauge Swatch

NOTES:

1. Scarf is worked in one piece, back and forth in rows, changing color to make blocks of color.
2. To change color, work last stitch of old color to last yarn over. Yarn over with new color and draw through all loops on hook to complete the stitch. Fasten off old color.

SCARF

With A, chain 22.

Row 1: Half double crochet in 3rd ch from hook (beginning 2 chain does not count as a stitch), half double crochet in each chain across – at the end of Row 1 you will have 20 stitches.

Row 2: Chain 2 (does not count as a stitch), turn, half double crochet in each stitch across.

Repeat Row 2 until piece measures about 10 in. (25.5 cm), changing to B in last stitch.

Continue to repeat Row 2 working 10 in. (25.5 cm) each with B, C, D, E and then F, changing color in the last stitch of each block of color.

Fasten off.

FINISHING

Weave in ends.
