GAUGE:

8 sts = about 4 in. (10 cm) over knit rows (all the rows of the Blanket).

When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. The needle or hook size called for in the pattern is based on what the designer used, but it is not unusual for gauge to vary from person to person. If it takes you fewer stitches and rows to make your swatch, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

STITCH EXPLANATION:

kfb (knit in front and back) Knit next st without removing it from left needle, then k through back of same st – 1 st increased.

NOTES:

1. Blanket is worked in one piece diagonally from corner to corner.
2. Sts are increased on the first half of the Blanket, then decreased on the second half.
3. A circular needle is used to accommodate the large number of sts. Work back and forth in rows as if working on straight needles.
