GAUGE:

16 sts + 22 rows = about 4 in. (10 cm) in Lace and Cable pattern.

When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. The needle or hook size called for in the pattern is based on what the designer used, but it is not unusual for gauge to vary from person to person. If it takes you fewer stitches and rows to make your swatch, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

Making a Gauge Swatch

STITCH EXPLANATION:

2/2 RC (2 over 2 right cross) Slip 2 sts to cable needle and hold in back, k2, then k2 from cable needle.

sl2kp (slip 2-k1-pass slipped sts over)

A double decrease worked as follows:

1. Insert right needle into next 2 sts as if to knit them tog, and slip them from the left needle to the right needle.
2. Knit the next st.

3. With tip of left needle, lift the 2 slipped sts (the 2nd and 3rd sts on the right needle) up and over the knit st (first st on right needle) and off the needle - you have decreased 2 sts.

ssk (slip, slip, knit) Slip next 2 sts as if to knit, one at a time, to right needle; insert left needle into fronts of these 2 sts and knit them tog - 1 st decreased.

yo (yarn over)

An increase that also creates a small decorative hole (eyelet) in the fabric, worked as follows:

1. Bring yarn to front, between the needles.
2. Take yarn to back, over the right needle. This creates the new st. You are now ready to proceed with the next st as instructed.

NOTES:

1. Scarfie is worked in one piece in a Lace and Cable Pattern with a Garter st (k every row) border.
2. The Lace and Cable pattern can be worked by following the written instructions or reading the Chart. Read RS rows of Chart from right to left and WS rows from left to right.
