- Lion Brand Knitting Needles- Size 8 [5 mm]
- Lion Brand Stitch Holders
- Lion Brand Large-Eye Blunt Needles (Set of 6)

GAUGE:

15 sts = 4 in. (10 cm) in Seed st with 1 strand each of A and C held tog.

When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. The needle or hook size called for in the pattern is based on what the designer used, but it is not unusual for gauge to vary from person to person. If it takes you fewer stitches and rows to make your swatch, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

Making a Gauge Swatch

STITCH EXPLANATION:

kfb (knit into front and then back)

An increase worked as follows:

1. Knit the next st through the front loop, but do not remove the st from your left hand needle.
2. Knit the same st once more, this time inserting your needle through the back loop of the st. You will have created 2 loops (sts) on your right hand needle.
3. Drop the st from your left hand needle - you have increased 1 st.

PATTERN STITCH

Seed Stitch (over an odd number of sts)

Row 1: K1, *p1, k1; rep from * to end of row.

Row 2: K the purl sts and p the knit sts.

Rep Row 2 for Seed st.

NOTES:

When you see 'work even' in the instructions, this means to continue on in the pattern st you have established without changing the st count by increasing, decreasing, or binding off.

FRONT

Beg at lower edge, with 1 strand each of A and C held tog, cast on 17 sts.

Row 1: Work Row 1 of Seed st across.

Row 2: Work Row 2 of Seed st to last st, kfb - 18 sts.

Rep Row 2 until piece measures about 3 1/2 in. (9 cm) from beg.

Change to 1 strand each of B and C held tog and rep Row 2 until you have 59 sts.

With 1 strand each of B and C held tog, work even in Seed st until piece measures about 7 in. (18 cm) from beg.

Change to 1 strand each of A and D held tog and work even in Seed st until piece measures about 10 1/2 in. (26.5 cm) from beg.

Change to 1 strand each of B and D held tog and work even in Seed st until piece measures about 14 in. (35.5 cm) from beg.

Change to 1 strand each of A and C held tog and work even in Seed st until piece measures about 15 1/2 in. (39.5 cm) from beg.

Shape Strap

Next Row: With 1 strand each of A and C held tog, work in Seed st over 10 sts, place these 10 sts onto holder for second half of strap, bind off next 39 sts, work in Seed st to end of row for first half of strap.

First Half of Strap

Continuing with 1 strand each of A and C held tog, work even in Seed st over 10 first strap sts only until strap measures about 2 in. (5 cm) from beg of strap.

Change to 1 strand each of B and C held tog and work even in Seed st until strap measures about 3 in. (7.5 cm).

Decrease Row: Continuing with 1 strand each of B and C held tog, k2tog, work in Seed st to end of row - 9 sts.

Work even in Seed st until strap measures about 6 in. (15 cm) from beg.

Rep Decrease Row - 8 sts.

Work even in Seed st until strap measures about 6 1/2 in. (16.5 cm) from beg.

Change to 1 strand each of A and D held tog and work even in Seed st until strap measures about 9 in. (23 cm).

Rep Decrease Row - 7 sts.

Continuing with 1 strand each of A and D held tog, work even in Seed st until strap measures about 10 in.

(25.5 cm).

Change to 1 strand each of B and D held tog and work even in Seed st until strap measures about 12 in. (30.5 cm).

Bind off.

Second Half of Strap

Slip sts for second half of strap back onto needle. Join 1 strand each of A and C held tog, and work same as first half of strap.

BACK

Work same as Front.

FINISHING

Sew Front and Back together across lower edge. Sew sides, continuing side seam along edge of straps (seam will run along center of finished straps). Sew ends of straps together. Weave in ends.
