NOTES

1. Steps 2-8 are each worked with 2 colors of yarn. The colors change on each step – so when you finish a step, you'll cut the colors you don't need anymore. Whenever you cut a color or join a color, leave yarn tails at least 6 in. (15 cm) long. You'll weave in these yarn tails after you finish the knitting.
2. In each step, you'll work 2 rows with one color, then 2 rows with the second color. You don't need to cut the yarns between these color changes – just carry the color you're not using along the side edge of your Scarf. Let the strand of yarn lay smoothly against the Scarf – don't pull it too tight!
3. Steps 2-8 are worked in a 4 row pattern – this means that you just keep repeating Rows 1-4 for as many times as the pattern tells you to.
4. When the pattern says to slip a st, hold the yarn to the back of your work and then slip the st just as if you were purling.
