GAUGE:

6 hdc + 4 rows = 4 in. (10 cm).

When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. The needle or hook size called for in the pattern is based on what the designer used, but it is not unusual for gauge to vary from person to person. If it takes you fewer stitches and rows to make your swatch, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

Making a Gauge Swatch

NOTES:

1. Afghan is made from 7 Strips. Each Strip is worked by following a Stripe Sequence.
2. A border is worked around the outside edge of the completed Afghan.
3. To change color, work last st of old color to last yarn over. Yarn over with new color and draw through all loops to complete st. Fasten off old color.
4. We used almost every bit of yarn in this project! Leave fairly short yarn tails and, if necessary, use scrap yarn to sew the strips together.

STRIP 1

With first color in Stripe Sequence, ch 11.

Row 1: Hdc in 3rd ch (beg ch does not count as a st) from hook and in each ch across – 9 hdc at the end of this row.

Row 2: Ch 2 (does not count as a st), turn, hdc in each st across.

Change to next color in Stripe Sequence.

Repeat Row 2, changing color following Stripe Sequence until all 50 rows of Sequence are complete. Fasten off.
