GAUGE:

10 sts + 16 rows = 4 in. (10 cm) over Eyelet pattern.

When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. The needle or hook size called for in the pattern is based on what the designer used, but it is not unusual for gauge to vary from person to person. If it takes you fewer stitches and rows to make your swatch, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

STITCH EXPLANATION:

kfb (knit in front and back) Knit next st without removing it from left needle, then k through back of same st – 1 st increased.

W&T (wrap and turn) Bring yarn to front, slip next st, turn, wrap yarn around slip st and slip same st back onto right-hand needle. On next row, work wrapped st by picking up wrap

and working together with st on left-hand needle.

PATTERN STITCH

Eyelet Pattern (worked over a multiple of 4 sts + 2 additional sts)

Rows 1-5: Knit.

Row 6 (WS): Purl.

Row 7: K1, *k1, yo, k3tog, yo; rep from * to last st, k1.

Row 8: Purl.

Rows 9-12: Knit.

Row 13: Knit.

Row 14: Purl.

Rows 17-20: Knit.

Rows 21-24: Rep Rows 13 and 14.

Rep Rows 1-24 for Eyelet patt.

NOTES:

1. Vest is worked in 2 pieces, Back and Fronts. Fronts are worked in one piece from the lower edge of Left Front to lower edge of Right Front.
2. The back neck of the Fronts is shaped with short rows - rows where only a portion of the sts are worked, then the next st is slipped and wrapped to prevent a hole forming in the work, the work is turned and progresses back to the beg of the row. When you next come to the wrapped st, the wrap is lifted onto the left needle and worked together with the st.
3. End with a WS row means that the last row you work should be a WS row, and the next row that you are ready to work will be a RS row.
4. When you see "- 12 sts" in the instructions, this lets you know how many sts you will have at the end of that specific row.

BACK

With straight needles, cast on 58 (66, 74) sts.

Beg with Row 1, work in Eyelet patt until piece measures about 16 in. (40.5 cm) from beg, end with a WS row as the last row you work.

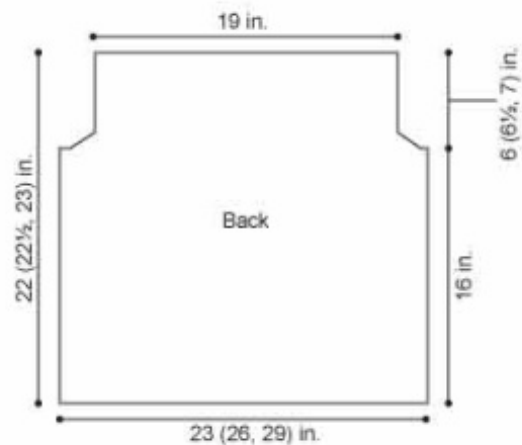

Shape Armholes Continuing in Eyelet patt, bind off 2 (6, 10) sts at beg of next 2 rows - you will now have 54 sts (for all sizes).

Next Row (RS): K1, k2tog, work in Eyelet patt as established to last 3 sts, k2tog, k1.
