GAUGE:

22 sc = about 4 in. (10 cm) with smallest hook.

19 sc = about 4 in. (10 cm) with largest hook.

When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. The needle or hook size called for in the pattern is based on what the designer used, but it is not unusual for gauge to vary from person to person. If it takes you fewer stitches and rows to make your swatch, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

[Making a Gauge Swatch](#)

STITCH EXPLANATION:

Cl (2 double crochet cluster) Yarn over, insert hook in indicated st and draw up a loop, yarn over and draw through 2 loops on hook (2 loops remain on hook), yarn over, insert hook in same st and draw up a loop, yarn over and draw through 2 loops on hook, yarn over and draw through all loops on hook.

FPDC (front post double crochet) Yarn over, insert hook from front to back then to front, going around post of indicated st, draw up a loop, (yarn over and draw through 2 loops on hook) twice. Skip st behind the FPDC.

sc2tog (sc 2 sts together) (Insert hook in next st and draw up a loop) twice, yarn over and draw through all 3 loops on hook – 1 st decreased.

sc-thru-ch (single crochet through a chain space) Insert hook through next ch-sp 2 rows below, then work sc in indicated st of working row encasing the ch-sp in the sc.

NOTES:

1. Tunic is worked in one piece from the top down in joined rnds.
2. Yoke is worked with the smallest hook. All 3 hooks are used to shape body.
3. To change yarn color at the end of a rnd, work to end of rnd then insert hook in first st of rnd, yarn over with new color and draw through all loops on hook to complete rnd. Proceed with new color. Fasten off old color.
4. To change yarn color within a rnd, work last st of old color to last yarn over. Yarn over with new color and draw through all

loops on hook to complete st. Proceed with new color. Carry color not in use across WS of piece until next needed.

5. If you find it difficult to join the beg ch into a ring without twisting the ch, Rnd 1 can be worked as a row, then joined into a rnd, as follows: Leaving a long beg tail, ch 121 (133, 145), sc in 2nd ch from hook and each ch across; join with sl st in first sc—120 (132, 144) sc. Use beg tail to sew gap at base of first row closed. Proceed to Rnd 2.

6. When you see '0' repeats in an instruction, this means that you should not perform that particular instruction, just skip to the next part of the instruction.
