GAUGE:

Center Heart = about 5 in. (12.5 cm) across at widest + 4 in. (10 cm) tall from lower point to center dip at top.

When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. The needle or hook size called for in the pattern is based on what the designer used, but it is not unusual for gauge to vary from person to person. If it takes you fewer stitches and rows to make your swatch, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

FINISHING

Dress

Notes:

1. When joining the Underpiece to the Back of the Dress, only a portion of the 'sides' are sewn.
2. Refer to the diagram before you begin sewing the pieces together.
3. The underpiece is smaller than the back of the Dress. When the pieces are sewn together, the Back will 'cup' slightly to create a better fit on your dog.

With WS of pieces tog, place Underpiece on top of Back with Center Hearts matching. You will be sewing the sides of Rnd 6 (leg opening rnd) of Underpiece to Rnd 9 (marked) of the Back. The leg openings remain open. Referring to diagram, begin sewing about 1 in. (2.5 cm) above leg openings and sew to about 3 1/2 in. (9 cm) below openings. Sew 6 beads spaced evenly along middle of Center Heart on Back. Sew 3 beads spaced evenly down middle of Center Heart on Underpiece.

Leg Opening Edging

From RS with larger hook, join B with a sl st anywhere along edge of one leg opening. Ch 1, sc evenly around opening; join with sl st in first sc. Fasten off. Rep edging around other leg opening.

Headpiece Assembly

Sew ends of Cord together to make a ring. Twist ring to make a figure '8', then sew a few stitches through center to secure.

With sewing needle and thread, gather one long edge of tulle. Draw up gathers so that the tulle is the same length as the Leaf Border. Sew gathered tulle to WS of Leaf Border, then sew Leaf Border to Large Poppy.

With sewing needle and thread, sew 3 beads to center of Large Poppy, then sew Large Poppy to Cord.

Sew a Small Poppy to each looped end of Cord.

Sew a Leaf to Cord at the base of each Small Poppy.

Tie one end of elastic to Cord, just behind one Small Poppy.

Try the headpiece on your dog to determine how long to cut elastic – this should be a comfortable length to go under the dog's chin. When you've determined the correct length, tie other end of the elastic cord behind remaining Small Poppy.

Trim elastic ends.
