#### GAUGE:

Exact gauge is not essential to this project.

#### NOTES:

1. Wall Hanging is super easy to make – just knot strands or braids of yarn around a dowel, then shape the Wall Hanging by simply trimming the yarn ends.
2. We've provided general instructions for the Wall Hanging in our photo – but this project is meant to inspire you. Use yarn colors that you like and change the size or shape of the piece as you like!

#### TECHNIQUE

##### Lark's Head Knot

**Step 1.** Fold a yarn strand in half. Hold folded end in front of dowel.

# Step 1

**Step 2.** Wrap folded end over dowel, from front to back to make a loop.

# Step 2

**Step 3.** Pull yarn ends through loop.

### Step 3

**Step 4.** Tighten loop around dowel.

### Step 4

#### **WALL HANGING**

Cut strands of A, B and C. Our strands were about 64 in. (162.5 cm) long.

Using Lark's Head knots, knot strands evenly onto dowel, placing colors as desired.

Braid some of the yarn strands if desired, tying end of braid with a small piece of yarn or thread.

#### **FINISHING**

Cut a 50 in. (127 cm) length of yarn for hanger. Double knot each end of strand to dowel, just outside knotted strands.

Hang Wall Hanging from a nail or picture hook and trim yarn ends as desired.
