GAUGE:

13 sts + 26 rows = about 4 in. (10 cm) in Garter Stitch (knit one row, purl one row).

When you match the gauge in a pattern, your project will be the size specified in the pattern and the materials specified in the pattern will be sufficient. The needle or hook size called for in the pattern is based on what the designer used, but it is not unusual for gauge to vary from person to person. If it takes you fewer stitches and rows to make your swatch, try using a smaller size hook or needles; if more stitches and rows, try a larger size hook or needles.

NOTES:

1. Follow loom manual instructions for SINGLE KNITTING for how to cast on, knit, purl, and bind off.
2. Two Squares are worked, then sewn together to make Hat.
3. Both Squares are worked with 2 strands of yarn held together. The 2 strands are both the same color, so you'll need to wind yarns A and B each into 2 separate balls before beginning.
4. Each Square is worked in a separate stripe pattern.
5. To change color, work to last stitch with old color, work last st with old and new color held together. Drop old color to back of loom and continue with new color.

Loom Configuration

Use the following pieces: (2) 36-hole pieces, (2) 28-hole semi-circular pieces.

Connect pieces to form an oval as follows: 36-hole piece > 28-hole semi-circular piece > 36-hole piece > 28-hole semi-circular piece.

Lay loom onto a flat surface, with one long side of the oval shape horizontally in front of you.

Insert 28 large pink pegs into every other hole across the front and sides of the loom – 28 working pegs placed.

Insert a contrast color peg (for slip knot) to the right of first peg you placed.

Insert a grey peg into each connecting hole along the back side of the loom to hold the loom pieces together.
